

GoGreen OnBoard Rider

Fast-Track Your Sustainability Goals & Support Indiana's Green Energy Future

Indiana Michigan Power (I&M) offers the GoGreen Onboard Rider as a tool to encourage job creation, investment and load growth within the communities in the I&M service territory. Buying a Renewable Energy Certificate (REC) gives your organization the right to claim the benefits of emissions reduction in a measurable way. Designed to help meet sustainability goals, the GoGreen Onboard Rider also protects against future energy price volatility. Feel good about achieving your goals and cutting energy costs all the while supporting Hoosier solar and wind generation facilities.
