

## **STORM COST RECOVERY RIDER**

---

### **AVAILABILITY**

The Storm Cost Recovery (SCR) Rider is applicable for bills rendered to customers of Southwestern Electric Power Company (SWEPCO), during the term that this schedule is in effect.

### **APPLICATION**

There shall be added to each customer's bill an adjustment which will be calculated as a percentage of the customer's base rate revenue for the financing of storm recovery costs, storm damage reserve costs, and storm recovery bond financing costs as approved by the Commission. Base rate revenue includes all retail base rate revenues with the exception of revenues associated with miscellaneous services, fees, and facility rentals. Facilities charges paid by customers taking service in accordance with lighting rates providing for such charges will be considered base rate revenues. The adjustment factor will be identified on the customer bills as "Financed Storm Cost Rider."

### **TRUE-UP**

The SCR Rider shall be subject to true-up in accordance with the schedule prescribed in the Commission's financing order approved in LPSC Docket No. U-36174 and shall be performed at least semi-annually.
