**Re: American Electric Power Service Corporation
Docket No. ER17-405-000**

Dear Secretary Reese:

American Electric Power Service Corporation, on behalf of its affiliates, Appalachian Power Company, Indiana Michigan Power Company, Kentucky Power Company, Kingsport Power Company, Ohio Power Company, and Wheeling Power Company (collectively “AEP” or the “AEP East Operating Companies”), hereby submits for filing for informational purposes their 2025 projected annual transmission revenue requirement (“PTRR”). This PTRR is submitted pursuant to revised Attachment H-14 of the PJM Interconnection, LLC (“PJM”) Open Access Transmission Tariff (“OATT”), which was accepted by the Federal Energy Regulatory Commission by letter order issued on April 24, 2018, in the above-referenced docket. The PTRR includes fully populated Microsoft Excel files with formulas intact.

As discussed in AEP’s 2024 Annual Update filed on May 28, 2024, pursuant to the Commission’s January 18, 2024, Order (“January Order”) in the above captioned docket, AEP submitted a compliance filing on March 18, 2024 (“Compliance Filing”). In the Compliance Filing, AEP calculated refunds related to January Order to provide to customers consistent with Section 6 of the AEP East Operating Companies’ Formula Rate Protocols. Those refunds, with interest, will be provided throughout the 2025 rate year and are reflected in this PTRR.

The PTRR attached hereto has been submitted to PJM for posting (and publication, pursuant to AEP’s revised protocols) on the PJM website at:

<http://pjm.com/markets-and-operations/billing-settlements-and-credit/formula-rates.aspx>

A copy of the notice of such posting was provided to PJM on October 31, 2024.

The 2025 PTRR is effective January 1, 2025. The PTRR reflects AEP’s corporate budgeting process to estimate costs associated with planned capital projects and anticipated operations and maintenance expenses in 2025. The PTRR contains no expenses or costs that have been alleged or judged in any administrative or judicial proceeding to be illegal, duplicative, or

unnecessary costs that are demonstrably the product of discriminatory employment practices, as defined in 18 C.F.R. § 35.13(b)(7).

The AEP East Operating Companies have made no material changes in their accounting policies and practices from those in effect during the previous Rate Year and upon which the current rate is based.

AEP will host a webinar and teleconference meeting from 1:00 p.m. to 2:00 p.m. (EST) on December 5, 2024, to afford interested parties the opportunity to discuss the PTRR. Information regarding this meeting will be available at:

Sincerely,

/s/ Matthew L. Bly
