Re: **American Electric Power Service Corporation**
Docket No. ER18-195-000

Dear Secretary Bose:

American Electric Power Service Corporation (“AEPSC”), on behalf of its affiliates, Public Service Company of Oklahoma (“PSO”) and Southwestern Electric Power Company (“SWEPCO”) (collectively referred to herein as “AEP West Operating Companies” or “AEP Companies”) (AEPSC and the AEP West Operating Companies are collectively referred to herein as “AEP”), hereby submits for filing for informational purposes their 2022 projected annual transmission revenue requirement (“PTRR”). This PTRR is submitted pursuant to Attachment H, Addendum 4 of the Southwest Power Pool, Inc. (“SPP”) Open Access Transmission Tariff (“SPP Tariff”)¹, which was accepted by the Federal Energy Regulatory Commission by letter order issued on June 28, 2019 in the above-referenced docket. The PTRR includes fully populated Microsoft Excel files with formulas intact.

The PTRR attached hereto has been submitted to SPP for posting (and publication, pursuant to AEP’s revised protocols) on the SPP website at:

<http://spooasis.spp.org/documents/SWPP/MemberRelatedPostings/MemberRelatedPostings.asp>.

A copy of the notice of such posting was provided to SPP on November 1, 2021.

The 2022 PTRR is effective January 1, 2022. The PTRR reflects AEP’s corporate budgeting process to estimate costs associated with planned capital projects and anticipated O&M expenses in 2022. The PTRR contains no expenses or costs that have been alleged or judged in any administrative or judicial proceeding to be illegal, duplicative, or unnecessary costs that are demonstrably the product of discriminatory employment practices, as defined in 18 C.F.R. § 35.13(b)(7). The 2022 PTRR reflects a change in the treatment of the Accumulated Deferred

Income Taxes (ADIT) associated Net Operating Losses to a stand-alone basis rather than a consolidated basis. The AEP West Operating Companies have made other no material changes in their accounting policies and practices from those in effect during the previous Rate Year and upon which the current rate is based.

AEP will host a webinar and teleconference meeting from 1:00 p.m. to 2:00 p.m., (CST) on December 2, 2021, to afford interested parties the opportunity to discuss the PTRR. Information regarding this meeting will be available at:

Thank you for your attention to this informational filing. Please contact the undersigned if you have any questions concerning this filing.

Sincerely,

s/ Stacey L. Burbure
